STEPS FOR A WARRANTY CLAIM

Uninstalled Graphics:

- Stop. Do not apply suspect graphics. Phone Finishing Touch at once.
- Suspect graphics must be returned to Finishing Touch before any assessment can be done.
- Finishing Touch will inspect the graphics.

Installed Graphics:

- Document the problem. Compile the following information before calling:
- Vehicle graphics make, model, year, unit number (if applicable).
- Detailed description of problem.
- Extent of problem: how many vehicles? Which parts of vehicles?
- Photographs: photo verification of problem is required. Digital photos will expedite processing of your claim.
- Call or email Finishing Touch to initiate your complaint.
- Finishing Touch will assess your claim. A third party may be called to inspect.

CLAIMS RESOLUTION

- If Finishing Touch installed your vehicle graphics and your claim is justified, your remedy will include our labor to remove damaged vehicle graphics and install new graphics at client's original install site or within a 100-mile radius of Finishing Touch only, at the discretion of Finishing Touch.
- If the client is unable to meet the installation location requirements noted above, Finishing Touch will ship replacement graphics to the client for the client to then install. Installation by another company/individual is not covered under your warranty.
- If Finishing Touch did not install your vehicle graphics, no provision or remedy to cover labor for reinstallation will be made.
- In no case will Finishing Touch be liable for any direct, indirect or consequential damages resulting from product use.
